

**Consciousness in a Natural and Cultural
Context (CNCC)****CNCC Final Conference****Tentative Schedule, 17 September 2009**

Please note that the schedule is still subject to change.

All scientific sessions will take place at St. Leonard's Hall.

| | |
|---------------------------|---|
| | |
| Thursday October 1 | |
| | |
| 19:30 | Reception and Welcome dinner at St. Leonard's Hall |
| | |

| | |
|-------------------------|--|
| | |
| Friday October 2 | |
| | |
| 8:30 | Registration |
| | |
| 9:00 – 9:30 | Opening Session <i>Welcome</i> by Caroline Baylon, Arts and Humanities Research Council (International Senior Programme Manager) <i>Opening words</i> by Andy Clark, University of Edinburgh (CNCC Principal Investigator) <i>Introduction to the CNCC programme</i> , by Eva Hoogland, European Science Foundation (Coordinator CNCC programme) |
| | |

| | |
|--------------------------------------|---|
| | |
| | <p>Session 1: Subjects, others and objects Chair: Andreas Roepstorff (BASIC)</p> |
| 9:30 – 10:15 | <p><i>Self-conscious emotions: shame and the exposed self</i> Dan Zahavi, University of Copenhagen (BASIC)</p> |
| 10:15 – 11:00 | <p><i>Animal metacognition: the extended mind in self-interaction</i> John D. Smith, University at Buffalo, State University of New York Michael J. Beran, Georgia State University (METACOGNITION)</p> |
| 11:00 – 11:30 | <p><i>Coffee</i></p> |
| 11:30 – 12:15 | <p><i>Gesture as thought?</i> Andy Clark, University of Edinburgh (CONTACT)</p> |
| 12:15 – 13:00 | <p><i>Interobjectivity: extended minds in interaction</i> Andreas Roepstorff, University of Aarhus (BASIC)</p> |
| | |
| 13:00 – 14:30 | <p>Lunch</p> |
| | |
| | <p>Session 2: Spatial and language processing for action Chair: Yann Coello & Angela Bartolo (CEWR)</p> |
| 14:30 – 15:30 | <p><i>Sensorimotor simulation and embodied cognition: the case of apraxia</i> Julian Kiverstein, University of Edinburgh (CONTACT)</p> |
| 15:30 – 16:30 | <p><i>Monitoring the emergence of shared neuronal circuits between action and language</i> Tatjana Nazir, ISC-CNRS, Bron (BASIC)</p> |
| 16:30 – 17:00 | <p><i>Coffee</i></p> |
| 17:00 – 18:00 | <p><i>Motor representation and language for space and movement perception</i> Yann Coello & Angela Bartolo, Université de Lille (CEWR)</p> |
| | |
| 18:00 – 19:30 (Drinks are served) | <p>Poster session</p> |
| | |
| 19:40 | <p>Participants gather at St. Leonard's Hall for joint walk to restaurant</p> |
| 20:00 | <p>Dinner at <i>Restaurant Kalpna</i></p> |
| | |

| Saturday October 3 | |
|---------------------------|---|
| | Session 3: Externalising metacognition Chair: Joëlle Proust (METACOGNITION) |
| 9:00 – 10:00 | <i>The externalist constraints on self-evaluation</i> Joëlle Proust & Anne Loussouarn, Institut Jean-Nicod, EHESS, Paris (METACOGNITION) |
| 10:00 – 11:00 | <i>The extended will</i> Till Vierkant, University of Edinburgh (CONTACT) |
| 11:00 – 11:30 | <i>Coffee</i> |
| 11:30 – 12:30 | <i>External and explicit: encouraging knowledge integration via explicit metacognitive prompting while learning complex tasks</i> Steve Fiore, University of Central Florida (BASIC) |
| 12:30 – 14:00 | Lunch |
| | Session 4: The Uncertain Mind Chair: Tjeerd Jellema (BOUNDARIES) |
| 14:00 – 14:45 | <i>Perceptual ambiguities in the uncertain mind</i> Johan Wagemans, University of Leuven (Boundaries) |
| 14:45 – 15:30 | <i>Solving visual ambiguities in autism spectrum disorders</i> Tjeerd Jellema, University of Hull (Boundaries) |
| 15:30 – 16:00 | <i>Coffee</i> |
| 16:00 – 16:45 | <i>Dealing with uncertainty in reaching</i> Jeroen Smeets, VU University Amsterdam (CEWR) |
| 16:45 – 17:30 | <i>Intersubjectivity and the extended mind</i> Nivedita Gangopadhyay, University of Bristol (CONTACT) |
| 17:30-18:00 | Coffee break |
| | Funders' session |
| 18:00 - 18:15 | Caroline Baylon, Arts and Humanities Research Council (AHRC) |
| 18:15 - 18:30 | Petra Grabner, Austrian Science Fund (FWF) |
| 18:30 – 18:45 | Annemieke van der Kooij, Netherlands Organisation for Scientific Research (NWO) |
| 18:45 – 19:00 | Betty Tuller, National Science Foundation (NSF) |
| 19:00 – 19:30 | Discussion: Future challenges and opportunities |

| | |
|-------|---|
| | |
| 20:10 | Bus picks us up from St. Leonard's Hall |
| 20:30 | Dinner at <i>Restaurant Howies</i> |

| | |
|-------------------------|---|
| | |
| Sunday October 4 | |
| | |
| | Session 5: <i>What are the connections between social cognition and individual consciousness?</i> Chair: Cristiano Castelfranchi & Fabio Paglieri (CONTACT) |
| 9:00 – 9:45 | <i>Self-control as social interaction: metaphors, strategies, and problems</i> Cristiano Castelfranchi & Fabio Paglieri, Istituto di Scienze e Tecnologie della Cognizione (CONTACT) |
| 9:45 – 10:30 | <i>Social gaze and joint attention</i> Leonhard Schilbach, University of Cologne (BASIC) |
| 10:30 – 11:00 | <i>Coffee</i> |
| 11:00 – 11:45 | <i>Overextended minds: social and institutional cognition</i> Shaun Gallagher, University of Central Florida (BASIC) |
| 11:45 – 12:00 | Discussion |
| | |
| 12:00 – 12:30 | Closing session Dan Zahavi, University of Copenhagen (Main proposer CNCC theme) Martin Stokhof, University of Amsterdam (CNCC Review Panel) |
| | |
| 12:30 – 14:00 | Farewell lunch |
| | |
