|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | <p>EMRC Newsletter No. 21 Newsletter December 2012</p> |  | <p>Personalised Medicine for the European Citizen (iPM) Forward Look Report ISBN: 978-2-918428-90-9 December 2012</p> |
|  | <p>Open Access in Biomedical Research Science Policy Briefing No. 47 (DRAFT) ISBN: 978-2-918428-78-7 October 2012</p> |  | <p>Implementation of Medical Research in Clinical Practice ESF Science Policy Briefing No. 45 ISBN: 978-2-918428-78-7 September 2012</p> |
|  | <p>Medical Research Education in Europe Science Policy Briefing No. 46 ISBN: 978-2-918428-79-4 September 2012</p> |  | <p>Pan-European Clinical Trials (ECT) EUROCORES Final Report ISBN: 978-2-918428-80-0 September 2012</p> |
|  | <p>Success Stories about Human Stem Cell Research in Europe September 2012 available soon</p> |  | <p>EMRC Newsletter No. 20 Newsletter May 2012</p> |
|  | <p>Researching Complex Interventions for Nursing (REFLECTION) Research Networking Programme January 2012</p> |  | <p>Proposal for a revision of the "Clinical Trials Directive" (2001/20/EC) and other recommendations to facilitate clinical trials ESF-EMRC Position paper ISBN: 978-2-918428-54-1 December 2011</p> |
|  | <p>Stress and Mental Health (EuroSTRESS) EUROCORES Final Report ISBN: 978-2-918428-55-8 December 2011</p> |  | <p>EMRC Newsletter No. 19 Newsletter December 2011</p> |
|  | <p>Gene-environment interaction in chronic disease: an ESF Forward Look. Preface. Kristiansen LV, Röllinghoff M, Berghmans S, Højgaard L. J Allergy Clin Immunol. 2011 Dec;128(6 Suppl):S25-6. PMID: 22118217 Journal of Allergy and Clinical Immunology (JACI) December 2011</p> |  | <p>Frontline health care can be improved by bringing research into the clinic. Steinhausen K, Berghmans S, Højgaard L. Br J Hosp Med(Lond).2011 Nov;72(11):606-7. PMID: 22082999 British Journal of Hospital Medicine November 2011</p> |

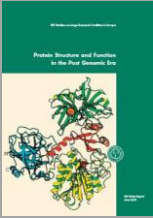

| | | | |
|------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | <p>Die ESF Fordert eine engere Verknüpfung von klinischer Praxis und Forschung Steinhausen K, Berghmans S, Højgaard L. Bulletin SAMW 3/11 Schweizerische Akademie der Medizinischen Wissenschaften (SAMW) ISSN: 1662-6028 November 2011</p> |  | <p>Health Research Classification Systems: Current Approaches and Future Recommendations ESF Science Policy Briefing No. 43 ISBN: 978-2-918428-52-7 November 2011</p> |
|  | <p>Gene-Environment Interaction in Chronic Disease (GENESIS) Forward Look Report ISBN: 978-2-918428-48-0 November 2011</p> |  | <p>A Stronger Biomedical Research for a Better European Future EMRC White Paper II ISBN: 978-2-918428-35-0 September 2011</p> |
|  | <p>Ecological and Evolutionary Functional Genomics (EuroEEFG) EUROCORES Programme September 2011</p> |  | <p>Functional Genomic Variation in the Epilepsies (EuroEPINOMICS) EUROCORES Programme September 2011</p> |
|  | <p>40th Anniversary of EMRC Brochure September 2011</p> |  | <p>Advocating acceptable and responsible solutions Research Media Ltd International Innovation August 2011</p> |
|  | <p>European biobanks and sample repositories – relevance to Personalised Medicine Position paper ISBN: 918-2-978428-41-1 May 2011</p> |  | <p>Implementation of Medical Research in Clinical Practice (FLIP) Forward Look Report ISBN: 918-2-918428-36-7 May 2011</p> |
|  | <p>European Myositis Network (EuMyoNet) Research Networking Programme May 2011</p> |  | <p>EMRC Newsletter No. 18 Newsletter May 2011</p> |
|  | <p>Gene-environment interactions in chronic inflammatory disease Harald Renz, Erika von Mutius, Per Brandtzaeg, William O Cookson, Ingo B Autenrieth & Dirk Haller <i>Nature Immunology</i>, Volume 12, no.4</p> |  | <p>ESF-EMRC Position on the Directive on the Protection of Animals used for Scientific Purposes Position paper ISBN: 978-2-918428-33-6 February 2011</p> |
|  | <p>European Network for Gastrointestinal Health Research (ENGIHR) Research Networking Programme February 2011</p> |  | <p>EMRC Newsletter No. 17 Newsletter December 2010</p> |

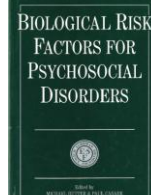

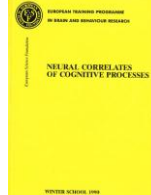

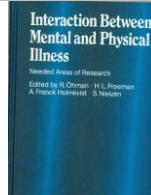

| | | | |
|------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | <p>Male Reproductive Health: its impacts in relation to general wellbeing and low European fertility rates ESF Science Policy Briefing No. 40 ISBN: 978-2-918428-23-7 October 2010</p> |  | <p>RNA World: a new frontier in biomedical research Forward Look Report ISBN: 978-2-918428-20-6 October 2010</p> |
|  | <p>Ageing, Health and Pensions in Europe: An Economic Perspective ESF Science Policy Briefing No. 39 ISBN: 978-2-918428-22-0 September 2010</p> |  | <p>EMRC Newsletter No. 16 Newsletter September 2010</p> |
|  | <p>Ageing, Health and Pensions in Europe: An Economic Perspective Forward Look Report ISBN: 978-2-918428-16-9 July 2010</p> |  | <p>ESF-EMRC Position on the Implications of the EMF Directive 2004/40/EC for European Biomedical Magnetic Resonance Research Position paper ISBN: 978-2-918428-13-8 June 2010</p> |
|  | <p>Human Stem Cell Research and Regenerative Medicine – A European Perspective on Scientific, Ethical and Legal Issues ESF Science Policy Briefing No.38 ISBN: 978-2-918428-12-1 June 2010</p> |  | <p>EMRC Newsletter No. 15 Newsletter May 2010</p> |
|  | <p>European Network for the Study of Adrenal Tumours (ESF-ENS@T) Research Networking Programme March 2010</p> |  | <p>The Identification of Novel Genes and Biomarkers for Systematic Lupus Erythematosus (BIOLUPUS) Research Networking Programme February 2010</p> |
|  | <p>The EuroGlycoScience Forum Research Networking Programme (LESC/EMRC) January 2010</p> |  | <p>Science of Protein Production for Functional and Structural Analysis (EuroSCOPE) EUROCORES Programme Final Report (LESC/EMRC) January 2010</p> |
|  | <p>EMRC Newsletter No. 14 Newsletter December 2009</p> |  | <p>Regenerative Medicine (REMEDIC) 2nd Edition Research Networking Programme December 2009</p> |
|  | <p>European Food Systems in a Changing World Forward Look Report ISBN: 2-912049-96-2 September 2009</p> |  | <p>EMRC Newsletter No. 13 Newsletter September 2009</p> |

| | | | |
|------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | <p>Effective Health Services for European Citizens – Improved Management of Cardiovascular Diseases and their Socio-Economic Costs based on Medical Research EUROHORCs Simulation Exercise for Joint Programming ISBN: 978-2-918428-00-8 August 2009</p> |  | <p>European Child Cohort Network (EUCCONET) Research Networking Programme June 2009</p> |
|  | <p>European Research Network for Investigating Human Sensorimotor Function in Health and Disease (ERNI-HSF) Research Networking Programme June 2009</p> |  | <p>EMRC Newsletter No. 12 Newsletter June 2009</p> |
|  | <p>Functional Genomics in Aspergillus Fumigatus and New Strategies to Fight against the first Fungal Pathogen in Europe (FUMINOMICS) Research Networking Programme June 2009</p> |  | <p>European Medical Research Councils (EMRC) Self Evaluation Report 2003-2008 May 2009</p> |
|  | <p>European Food Systems in a Changing World COST-ESF Science Policy Briefing No. 36 April 2009</p> |  | <p>ESF-EMRC Position on the Proposal for a Directive on the Protection of Animals used for Scientific Purposes 2nd Edition Position paper March 2009</p> |
|  | <p>Investigator-Driven Clinical Trials Forward Look Report ISBN: 2-912049-95-4 March 2009</p> |  | <p>EuroSTELLS (Development of a Stem Cell Tool Box) Final Report EUROCORES Programme Leaflet March 2009</p> |
|  | <p>EMRC Newsletter No. 11 Newsletter March 2009</p> |  | <p>Stress and Mental Health (EuroSTRESS) EUROCORES Programme February 2009</p> |
|  | <p>Advancing Systems Biology for Medical Applications ESF Science Policy Briefing No.35 Sysbiomed Specific Support Action December 2008</p> |  | <p>EMRC Newsletter Nos. 9-10 Newsletter December 2008</p> |
|  | <p>ESF-EMRC Position on the Proposed Revision of the Directive on the Protection of Animals Used for Experimental and Other Scientific Purposes (86/609/EEC) Position paper September 2008</p> |  | <p>Regenerative Medicine (REMEDIC) Research Networking Programme September 2008</p> |

| | | | |
|------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | <p>EMRC Newsletter No. 8 Newsletter June 2008</p> |  | <p>Structural Medicine II: The Importance of Lipidomics for Health and Disease ESF Science Policy Briefing No.31 June 2008</p> |
|  | <p>Frontiers of Functional Genomics (FFG) Research Networking Programme Report May 2008</p> |  | <p>Population Surveys and Biobanking ESF Science Policy Briefing No.32 May 2008</p> |
|  | <p>EMRC Newsletter No. 7 Newsletter March 2008</p> |  | <p>Stronger European Medical Research Trish Groves, editorial on White Paper in BMJ 336;341-342, 2008 February 2008</p> |
|  | <p>Pan-European Clinical Trials (ECT) EUROCORES Programme Leaflet January 2008</p> |  | <p>Present status and future strategy for medical research in Europe EMRC White Paper I December 2007</p> |
|  | <p>EMRC Newsletter No. 6 Newsletter December 2007</p> |  | <p>Medical Imaging for Improved Patient Care ESF Science Policy Briefing No.28 October 2007</p> |
|  | <p>EMRC Newsletter No. 5 Newsletter September 2007</p> |  | <p>Science and Protein Production for Functional and Structural Analysis (EuroSCOPE) EUROCORES Programme Leaflet September 2007</p> |
|  | <p>Systems Biology: A Grand Challenge for Europe Forward Look Report ISBN: 2-912049-65-2 September 2007</p> |  | <p>EMRC Newsletter No. 4 Newsletter June 2007</p> |
|  | <p>EMRC Newsletter No. 3 Newsletter March 2007</p> |  | <p>EMRC Newsletter No. 2 Newsletter December 2006</p> |

| | | | |
|------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
|  | <p>European Food Systems in a Changing World Forward Look Report November 2006</p> |  | <p>EMRC Newsletter No. 1 Newsletter September 2006</p> |
|  | <p>Structural Medicine 1: The Importance of Glycomics for Health and Disease ESF Science Policy Briefing No. 27 July 2006</p> |  | <p>Rheumatic Diseases: A Major Challenge for European Research and Health Care ESF Science Policy Briefing No. 26 June 2006</p> |
|  | <p>Nanomedicine Forward Look Report ISBN: 2-912049-52-0 November 2005</p> |  | <p>Systems Biology: A Grand Challenge for Europe ESF Science Policy Briefing No. 25 October 2005</p> |
|  | <p>Research on Infectious Diseases ESF Science Policy Briefing No. 24 March 2005</p> |  | <p>ESF Scientific Forward Look on Nanomedicine ESF Science Policy Briefing No. 23 February 2005</p> |
|  | <p>Network on Myelin Structure and its Role in Autoimmunity (MARIE) ESF Scientific Network December 2003</p> |  | <p>A European Syllabus for Training Clinical Investigators EMRC Report July 2003</p> |
|  | <p>Multilingual Multidisciplinary Studies on Brain and Language (MMSBL) ESF Scientific Network June 2003</p> |  | <p>The Meso-telencephalic Dopamine Consortium (DopaNet) ESF Scientific Network December 2002</p> |
|  | <p>Human Stem Cell Research: scientific uncertainties and ethical dilemmas ESF Science Policy Briefing No. 18 August 2002</p> |  | <p>Integrated Approaches for Functional Genomics ESF Scientific Programme Report November 2001</p> |
|  | <p>Use of Animals in Research (2nd edition) ESF Science Policy Briefing No. 15 August 2001</p> |  | <p>Human Stem Cell Research: scientific uncertainties and ethical dilemmas ESF Science Policy Briefing No. 14 June 2001</p> |

| | | | |
|------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | <p>Protein Structure and Function in the Post Genomic Era ESF Study Report June 2001</p> |  | <p>Controlled Clinical Trials ESF Science Policy Briefing No. 13 May 2001</p> |
|  | <p>Use of Animals in Research ESF Science Policy Briefing No.9 September 2000</p> |  | <p>An Environment for Better Health ESF Scientific Programme Report June 1999</p> |
|  | <p>An ABC of Medical Research Funding ESF Report April 1999</p> |  | <p>Synchrotron 1: Review of the needs for European synchrotron and related beam-lines for biological and biomedical research ESF Study Report November 1998</p> |
|  | <p>Environment and Health Research for Europe Position paper September 1998</p> |  | <p>ESF Studies on Large Research Facilities in Europe: Review of the needs for European synchrotron and related beam-lines for biological and biomedical research November 1998</p> |
|  | <p>European Neuroscience Programme The Representation of Space April 1996</p> |  | <p>Modulation of the Trace IIIrd European Research Conference on Neural Mechanisms of Learning and Memory April 1996</p> |
|  | <p>European Neuroscience Programme Microneurography in Cognitive Neuroscience September 1995</p> |  | <p>European Neuroscience Programme Neural Bases of Visual Cognition September 1994</p> |
|  | <p>European Neuroscience Programme Neural Mechanisms Involved in Psychological and Biological Time Measurement September 1993</p> |  | <p>European Training Programme in Brain and Behaviour Research Organisation and Plasticity of Neural Systems in Learning and Memory January 1992</p> |
|  | <p>Network on Neural Mechanisms of Learning and Memory Background Papers for the Workshop on Neuromodulation, Learning and Memory in Invertebrates November 1991</p> |  | <p>Network on Neural Mechanisms of Learning and Memory Background Papers for the Workshop on Glycoproteins in Memory September 1991</p> |

| | | | |
|------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | <p>European Training Programme in Brain and Behaviour Research Excitatory Amino Acids: Molecular Mechanism to Clinical Importance September 1991</p> |  | <p>Network on Neuroimmunomodulation Register of European Laboratories August 1991</p> |
|  | <p>European Training Programme in Brain and Behaviour Research Motor Development January 1991</p> |  | <p>Human Genome Research A Review of European and International Contributions Medical Research Council January 1991</p> |
|  | <p>Report on Genome Research 1991</p> |  | <p>Biological Risk Factors for Psychosocial Disorders Edited by Michael Rutter & Paul Caser ISBN 0-521-40103-8 hardback 1991</p> |
|  | <p>European Training Programme in Brain and Behaviour Research Brain Damage and Repair September 1990</p> |  | <p>European Training Programme in Brain and Behaviour Research Neural Correlates of Cognitive Processes January 1990</p> |
|  | <p>Inventory of European Longitudinal Studies in the Behavioural and Medical Sciences Wolfgang Schneider and Wolfgang Edelstein, Max Planck Institute ISBN 3-87985-028-3 1990</p> |  | <p>Network on Neural Mechanisms of Learning and Memory Register of Network Laboratories 2nd Edition 1990</p> |
|  | <p>European Training Programme in Brain and Behaviour Research Biological Markers of Neurological and Psychiatric Illness September 1989</p> |  | <p>European Training Programme in Brain and Behaviour Research Relations Between Neuroanatomy and Psychology January 1989</p> |
|  | <p>Health Inequalities in European Countries Edited by John Fox ISBN 0566-05497-3 1989</p> |  | <p>Interaction Between Mental and Physical Illness Needed Areas of Research Edited by R. Öhman; H.L. Freeman; A. Franck Holmkvist; S. Nielzén ISBN 3-540-50161-4 / ISBN 0-387-50161-4 1989</p> |
|  | <p>European Training Programme in Brain and Behaviour Research Genetic and Epigenetic Control of Phenotypic Expression in Nerve Cells October 1988</p> |  | <p>European Training Programme in Brain and Behaviour Research Brain, Behaviour and the Immune System January 1988</p> |

| | | | |
|------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | <p>Animal Experiments and Alternatives in biomedical research 1988</p> |  | <p>European Training Programme in Brain and Behaviour Research From Gene to Behaviour: New Approaches to the Study of Brain Function September 1987</p> |
|  | <p>European Training Programme in Brain and Behaviour Research Stress, Disease and the Brain January 1987</p> |  | <p>Psychological Treatment of Mental Illness Research Strategies and Design Edited by R.J. Daly and E.A. Sand 1987</p> |
|  | <p>The Long-Term Treatment of Functional Psychoses Needed Areas of Research Edited by T. Helgason ISBN 0-521-26628-9 May 1983</p> |  | <p>European Training Programme in Brain and Behaviour Research Sleep Mechanisms January 1983</p> |
|  | <p>Health Indicators An International Study for the European Science Foundation Edited by A. J. Culyer ISBN 0-85520-635-7 hardback 1983</p> |  | <p>European Training Programme in Brain and Behaviour Research Multidisciplinary Approach to Motor Behaviour January 1982</p> |
|  | <p>Methodology in Evaluation of Psychiatric Edited by T. Helgason ISBN 0-521-25592-9 hardback June 1981</p> |  | <p>Recombinant DNA: The Genie and the Bottle? First ESF Annual Lecture given by Sir John KENDREW, Director General of the European Molecular Biology Laboratory (EMBL) November 1977</p> |
