EUROCORES Programme BOREAS
Histories from the North - environments, movements, narratives

"Cyber-research-infrastructures and data management for science and communities - an ESF BOREAS workshop "
19-20 February 2007, Paris, France

<u>Venue</u>: UNESCO, Paris, France, 1 rue Miollis, Room XV

Meeting Agenda

Sunday 18 February 2007

20:00 *Welcome Dinner*

Monday 19 February 2007

10:00 <u>Opening</u>

UNESCO N.N.

Rüdiger Klein, ESF: Cyber-research-infrastructures, data management and the role of communities in the research process
[incl. notes on the envisaged institutional and inter-agency follow-up of this meeting]

<u>Keynote reflections (1)</u>
James Herbert, Centre for Research in the Arts, Social Sciences & Humanities, Cambridge, UK:
"Origins and outlines of ACLS and NSF cyber-infrastructures initiatives – perspectives for research infrastructures for the Humanities"

<u>Keynote reflections (2)</u>
Sheila Anderson, Arts and Humanities Data Service, King's College London, UK:
"Promoting electronic resources in the arts and humanities – towards transnational networks"

<u>Keynote reflections (3):</u>
Alexander Nakhimovsky, Computer Science Department, Colgate University, Hamilton, US:
"Scholars, Tools and Developers, Working Together"

11:30 *Coffee break*

12:00 <u>Research infrastructure and research data management in the circumpolar regions (Pt.1)</u>

Anna Kerttula, NSF, Arlington, US:
"NSF Office for Polar Programmes and perspectives for research infrastructures for the Arctic Social Sciences during and beyond the IPY"

Lars Bromley, American Association for the Advancement of Science (AAAS), Washington, US:

"Geospatial technologies and sustainability data – case studies and methodologies"

Craig Tweedie, The University of Texas at El Paso (UTEP), US:
"The NSF Arctic Research Mapping Application"

13:00 *Lunch*

14:30 The growth of European collaborative Research Infrastructures in the Humanities

Peter Doorn, Data Archiving and Networked Services (DANS), The Hague, NL:
"Permanent access to research data from the humanities and social sciences – from the Dutch experience to a European research infrastructure" (http://www.dans.knaw.nl/en/)

Peter Wittenburg, MPI for Psycholinguistics, Nijmegen, NL:
"From grid and archive federation to CLARIN – Common Language Resources and Technology Infrastructure: networked technologies for linguistic fieldwork" (http://www.mpi.nl/clarin/)

Julian Richards, University of York, UK:
"The AHDS Archaeology Data Service between research communities and outreach"

Reflections on project experiences:
(Ezra Zubrow and Andre Costopoulos [archaeology]; Ronald Doel [history of science etc.]; Gunnar Thorvaldsen [demography])

16:00 *Coffee break*

16:30 Research infrastructure and research data management in the circumpolar regions (Pt.2)

Yvon Csonka, IASSA: "The IPY data policy and opportunities for Humanities and Social Science circumpolar research data management"

Niels Einarsson, Akureyri, IS / Astrid Ogilvie, Boulder/Co., US:
"Human Dimensions of Arctic Environments: A Multilingual Web Resource (HAWP)"

Cynthia Alexander, Acadia Univ., Nova Scotia, CA
"Studies into ICT use of indigenous peoples in Canada"

Lawrence Hamilton, University of New Hampshire, Durham, US:
"Social Sciences in the Sustained Arctic Observing Network (SAON)"

Reflections on national experiences
(Patty Gray; Julia Lajus; Chris Southcott; Art Leete)

18:00 *Meeting (first day) ends*

20:00 *Dinner*

Tuesday 20 February 2007

10:00 *Meeting (second day) begins*

Research infrastructure and research data management in a global environment

Paul Ell, Centre for Data Digitisation and Analysis, Belfast, UK:
"Religious history and other historical GIS applications – from case studies to the Electronic Cultural Atlas Initiative"

Roberte Hamayon / Yves Dorémieux, Paris, FR:
« Non European Components of European Patrimony » (http://www.necep.net/) - an ECHO project and its use in outreach activities in North-Eastern Russia

Research infrastructures: the new challenges (Open access; qualitative data) (Pt.1)

Kevin Schürer, University of Essex, Colchester, UK:
"The AHDS History Center and "Qualidata"

Reflections on promises and constraints: data policy issues, access, and the research process:
(Peter Schweitzer, Astrid Ogilvie, Eva Toulouze, Virginie Vate)

11:15 *Coffee break*

11:45 Research infrastructures: the new challenges (Open access; qualitative data) (Pt.2)

Jürgen Renn / Urs Schöpflin, Max-Planck-Institut für Wissenschaftsgeschichte, Berlin, DE:
„The electronic workbench - data management, data distribution and data access in multi-disciplinary research production"

Open Discussion on opportunities and obstacles
(Research Infrastructures and research process; community participation; access policies; outreach etc.)

13:00 *Lunch*

14:30 *Meeting resumes*

Concluding plenary discussions
"Cyber-research-infrastructures and data management for science and communities –
What lessons for the BOREAS programme? "

15:30 *Coffee break*

15:45 *Meeting resumes as **Internal BOREAS meeting***

18:00 *Meeting ends*

List of Participants

Professor Cynthia Alexander
Research and Graduate Studies Department
of Political Science
Acadia University
Wolfville,Canada

Mr. Lars Bromley
American Association for the Advancement
of Science (AAAS)
Washington DC, United States

Dr. André Costopoulos
Computational Laboratory for Experimental
and Agent-Based Research Anthropology
McGill University
Montreal, Canada

Professor Yvon Csonka
Department of Cultural and Social History,
Ilisimatusarfik
University of Greenland
Nuuk, Greenland

Professor Ronald E. Doel
Department of History, joint with
Geosciences
Oregon State University
Corvallis, United States

Dr. Peter Doorn
Data Archiving and Networked Services
(DANS)
The Hague, Netherlands

Mr. Yves Dorémieux
Center for Mongolian & Siberian Studies
Ecole Pratique des Hautes Etudes (EPHE)
Paris, France

Dr. Paul Ell
Centre for Data Digitisation and Analysis
Queen's University of Belfast
United Kingdom

Dr. Patty Gray
Department of Anthropology
University of Alaska Fairbanks
United States

Professor Roberte Hamayon
Ecole Pratique des Hautes Etudes (EPHE)
Paris, France

Professor Lawrence Hamilton
Sociology Department
University of New Hampshire
Durham, United States

Dr. James Herbert
Centre for Research in the Arts, Social
Sciences and Humanities
Cambridge, United Kingdom

Professor Lee Huskey
Department of Economics
University of Alaska Anchorage
United States

Dr. Anna Kerttula de Echave
National Science Foundation
Arlington, United States

Dr. Julia Lajus
Center for Environmental and Technological
History (CETH)
European University at St. Petersburg
Russian Federation

Professor Art Leete
Department of History
University of Tartu
Estonia

Professor Alexander Nakhimovsky
Computer Science Department
Colgate University
Hamilton, United States

Mr. Liivo Niglas
Department of Ethnologgy
Tartu University
Estonia

Dr. Gerald Oetelaar
Department of Archaeology
University of Calgary
Canada

Dr. Astrid Ogilvie
Institute of Arctic and Alpine Research
(INSTAAR)
University of Colorado
Boulder, United States

Professor Jürgen Renn
Max-Planck-Institut für
Wissenschaftsgeschichte
Berlin, Germany

Dr. Julian Richards
Department of Archaeology
University of York
United Kingdom

Mr. Urs Schoepflin
Max-Planck-Institut für
Wissenschaftsgeschichte
Berlin, Germany

Dr. Kevin Schürer
UK Data Archive
University of Essex
United Kingdom

Professor Peter Schweitzer
Department of Anthropology
University of Alaska Fairbanks
United States

Dr. Chris Southcott
Department of Sociology
Lakehead University
Thunder Bay, Canada

Dr. Gunnar Thorvaldsen
the Norwegian Historical Data Centre
(NHDC)
University of Tromsø
Norway

Dr. Eva Toulouze
University of Tartu
Estonia

Dr. Craig Tweedie
Department of Biology
The University of Texas at El Paso (UTEP)
United States

Dr. Virginie Vaté
Max Planck Institute for Social Anthropology
Siberian Studies Centre
Halle Saale, Germany

Dr. Piers Vitebsky
Scott Polar Research Institute
University of Cambridge
United Kingdom

Dr. Peter Wittenburg
MPI for Psycholinguistics
Nijmegen, Netherlands

Professor Ezra Zubrow
Social Systems GIS Laboratory
State University of New York at Buffalo
United States

European Science Foundation

Dr Rüdiger Klein
EUROCORES Programme Coordinator

Ms. Claire Rustat-Flinton
Administrative Assistant
EUROCORES Programmes
