Frith, C.D. (Invited speaker) "Free will and top-down control in the brain", Templeton Foundation meeting on Top-Down Causation and Volition, Yosemite National Park, April 2007.

Frith, C.D. (invited speaker) "The social brain and its failures" Scuola Normale Superiore di Pisa, May 24 2007.

C.D. Frith (Invited speaker) "Free will and top-down control in the brain", Templeton Foundation meeting on Top-Down Causation and Volition, Yosemite National Park, April 2007

C.D. Frith (invited speaker) "The social brain and its failures" Scuola Normale Superiore di Pisa, May 24 2007

C.D. Frith (invited speaker) "What is special about social signals used in communication?" workshop with Chris Frith & Uta Frith, Center for Intersubjectivity Research, University of Copenhagen. December 13, 2007.

Fiore, S. and Gallagher, S. Adding an Understanding of Teams to Better Understand Social Neuroscience. *First BASIC Workshop: Subjectivity, Intersubjectivity and Self-representation*. Comwell Borupgaard, Denmark (May 2007).

Gallagher, S. (Invited speaker). Narrative distance and the landscape of action in deceptive self-narratives. *Workshop on Narrative and the Self*. Macquarie University, Sidney, Australia (12 December 2009).

Gallagher, S. (Invited speaker). Engaged justice: The extended mind and social institutions. Embodied Virtues and Expertise. The University of Wollongong, Australia (9-10 December 2009).

Gallagher, S. (Invited speaker). Aesthetics and kinaesthetics. *Seeing and Acting. Collegium for Advanced Study of Picture Act and Embodiment*. Humboldt University, Berlin (5-7 November 2009).

Gallagher, S. (Invited speaker). Coordination and the outcomes of joint attention. *Joint Attention: Developments in Philosophy of Mind, Developmental and Comparative Psychology, and Cognitive Science*. Bentley University, Boston (1-4 October 2009).

Gallagher, S. (Invited speaker). Social interaction in the phenomenology of agency. *Conference: The social construction of the self*. Alghero, Sardinia (28-29 September 2009).

Gallagher, S. (Invited speaker). Affective disruption and delusional experience. *Habitus in Habitat I – Emotion and Motion*. Zentrum für Literatur- und Kulturforschung (ZfL) Berlin (9-12 July 2009).

Gallagher, S. (Invited speaker). Illness as a complete form of existence. Keynote lecture. *UK Association for Medical Humanities*. Durham University. (7 July 2009).

Gallagher, S. (Invited speaker). Two interpretations of primary intersubjectivity. *Action, Perception and the Brain*. Georgetown University (29 June 2009).

Gallagher, S. (Invited speaker). Free will, intentions, and the sense of agency. Invited Plenary Session. *Mind and Life Summer Research Institute*. Garrison, NY (7-13 June 2009)

Gallagher, S. (Invited speaker). Action and interaction. *LECA-Symposium*, Max Planck Institute for Human Cognitive and Brain Sciences. Leipzig, Germany (8 May 2009).

Gallagher, S. (Invited speaker). The enactive hand. Conference: *The Hand - An Organ of the Mind*. Interuniversity Centre Dubrovnik, Croatia (1-3 May 2009).

Gallagher, S. (Invited speaker). Embodiment and intersubjectivity. *Attention, Memory, and the Study of the Mind: A Synergy of Psychological Neuroscience, and Contemplative Perspectives*. Mind and Life XIX, Conference with the Dalai Lama (5-10 April 2009).

Gallagher, S. (Invited speaker). Embodied interaction: Two problems of intersubjectivity. Keynote lecture. Graduate Student Conference, University of South Florida (27-29 February 2009).

Gallagher, S. (Invited speaker). Scanning the lifeworld: Phenomenology, critical theory, and the possibility of a critical neuroscience. *Critical Neuroscience. Challenging Reductionism in Psychiatry and Social Neuroscience*, UCLA (28-30 January 2009).

Gallagher, S. (Invited speaker). Shared circuits or circuitous sharing: Susan Hurley's concept of shared cognition. Memorial Symposium for Susan Hurley (with Ned Block, Alva Noe, Sean Kelly, and Jose Bermudez) APA Eastern Division Meeting, Philadelphia (December 2008).

Gallagher, S. (Invited speaker). Intercorporality and intersubjectivity: Merleau-Ponty and the critique of theory of mind. *Japanese Society for Phenomenology and the Japanese Society for the Promotion of Science* Tokyo, Japan (22-23 November 2008).

Gallagher, S. (Invited speaker). Intentionality and social kinaesthesia. Workshop on intentionality, the body, and the sensorimotor cortex. Birkbeck College, University of London, and the Anna Freud Center (8 November 2008).

Gallagher, S. (Invited speaker). A gestural model of social kinaesthesia. *Conference on Self and Other*. Alghero, Sardinia (26-29 October 2008).

Gallagher, S. (Invited speaker). Are minimal representations representations? University of Skövde, Sweden (9 October 2008).

Gallagher, S. (Invited speaker). Overextended minds: social and institutional cognition. CNCC Final Meeting. University of Edinburgh. (3-6 October 2008).

Gallagher, S. (Invited speaker). Social cognition in Merleau-Ponty and cognitive science. *Fifth Central and Eastern European Conference on Phenomenology*. Prague (28 September – 2 October 2008).

Gallagher, S. (Invited speaker). Social kinaesthesia. *International Conference on Kinaesthesia and Motion*. Tampere Finland (2-4 October 2008).

Gallagher, S. (Invited speaker). Gesture and narrative in social cognition. Center for Theoretical Studies. Charles University. Prague (25 September 2008).

Gallagher, S. (Invited speaker). Primary intersubjectivity. *The Social Self*. Summer School. Alghero, Sardinia (24-27 September).

Gallagher, S. Narrative and empathy. *American Psychological Association*, Boston (15 August 2008).

Gallagher, S. (Invited speaker). Interaction theory and the science of social cognition. ESF Collegium and Summer School: *Social cognition and social narrative*. San Marino University (7-14 July 2008).

Gallagher, S. (Invited speaker). Philosophical autism and associated problems. Keynote lecture. Postgraduate Conference on Phenomenology and Philosophy of Mind. Durham University (1-2 July 2008).

Gallagher, S. (Invited speaker). Sensorimotor and metacognitive contributories to the sense of agency. *Sense of Agency: from sensorimotor processing to meta-representation*. CNCC Workshop, University of Edinburgh (28-30 June 2008).

Gallagher, S. (Invited speaker). The shadow of the transcendental: Merleau-Ponty and cognitive science. Keynote lecture. Interdisciplinary conference on Philosophy of Psychology, Neuroscience and Biology. University of Edinburgh (27 June 2008).

Gallagher, S. (Invited speaker). *Phronesis*, self and intersubjectivity. Workshop: *The Varieties of Moral*

Experience: A Phenomenological Investigation. Durham University (24-26 June 2008).

Gallagher, S. (Invited speaker). The impact of neural, psychological, and social factors on the responsible assignment of moral responsibility for action. International Symposium on the Foundations of Social Behavior. University of Zurich. (18-21 June 2008).

Gallagher, S. Gestures in social cognition. Invited Keynote lecture. *Conference on Body Language*. Faculty of Humanities, Tilburg University, The Netherlands (13-14 March 2008)

Gallagher, S. (Invited speaker). Intersubjective aspects of body schema and body image. *Body schema and the subjectivity of the body*. Université de Genève. Geneva (12-13 March 2008).

Gallagher, S. Brain, body, and beyond. *Subjectivity and the body: Espra2 Conference*. University of Copenhagen. (29 January-1 February 2008). Invited.

Gallagher, S. Are minimal representations representations? University of Skövde, Sweden (9 October 2007). Invited.

Gallagher, S. Neural and extra-neural contributions to consciousness. Invited Plenary session. *Symposium on Consciousness*, 2nd Annual EPFL Life Sciences Symposium. Brain-Mind Institute, École Polytechnique Fédérale de Lausanne, Lausanne (29-31 August 2007).

Gallagher, S. Pre-narrative and narrative practices in understanding others. *Narrative Alternatives to Theories of Mind*, University of Hertfordshire (12-15 July 2007). Invited Keynote.

Gallagher, S. Phenomenological and experimental studies of the experience of agency. Invited Keynote. Graduate student conference. University College Dublin (8-9 June 2007)

Gallagher, S. Representation in action. *The Body and its Representation*. Ecole Normale Supérieure, Lyon (21-22 May 2007). Invited.

Fiore, S. and Gallagher, S. Adding an Understanding of Teams to Better Understand Social Neuroscience. *First BASIC Workshop: Subjectivity, Intersubjectivity and Self-representation*. Comwell Borupgaard, Denmark (May 2007).

Gallagher, S. Perception, simulation and the actions of others. *Social cognition, emotions, and self-consciousness*. Hanse-Wissenschaftskolleg (Center for Advanced Studies). Delmenhorst, Germany (8-10 March 2007). Invited.

Gallagher, S. Taking intersubjectivity seriously. *Human Existence, Purpose, and Intentionality*. Center for the Study of Learning, The George Washington University. Santiago, Chile (7-8 January 2007). Invited.

Gallagher, S. Esquizofrenia: una visión neurofenomenológica. Invited Plenary. *National Conference of the Asociación Colombiana de Psiquiatría*. Medellín, Colombia (4 November 2006)

Gallagher, S. Consciousness: Definitions and descriptions: The importance of non-reflective self-awareness. *The Origin of Consciousness: Perspectives from Neuroscience. A debate between Christopher Frith and Christof Koch*. University of San Marino, Center for Semiotics and Cognitive Studies, San Marino (October 27-29, 2006). Invited.

Gallagher, S. From the minimal self to the narrative other. Invited Plenary talk. *10th Annual Conference of the Consciousness and Experiential Psychology Section of the British Psychological Society*. St Anne's College, Oxford (September 15-17, 2006)

Grünbaum, T. (2009): Levels of personal control and agency. Interventions in Agency and Intersubjectivity workshop, CFS, Copenhagen.

Grünbaum, T.: "Visual experience and action", *ESPRA 2: Subjectivity and the Body*, København, Danmark 01.02.2008.

Grünbaum, T.: "Syn og Handling", *Selskabet for Filosofi og Psykologi*, København, Danmark, 10.10.2007.

Grünbaum, T.: "Visual experience of action", *Brain and Mind Forum*, Helsingør, Danmark, 14.09.2007. Invited.

Haggard P. (2008) Invited keynote talk Sense of Agency: from sensorimotor processing to metarepresentation, CNCC Networking Workshop, Edinburgh.

Haggard P. (2007) Self and Other in Philosophy of Mind and Neuroscience, event funded by CNCC (invited keynote talk)

Haggard P. (2007) Self-consciousness and Somatosensation. Invited keynote talk at Self and Other in Philosophy of Mind and Neuroscience, workshop at Institute of Philosophy, UCL funded by CNCC.

Hohwy, J. (2008). What is the role of creature consciousness in a model of consciousness? Conscious Creatures- Conscious States workshop, University of Aarhus.

Konvalinka, I. (2009): Joint Action and Synchronization. Interventions in Agency and Intersubjectivity workshop, CFS, Copenhagen.

Krueger, J. (2009): Agency, Intersubjectivity, and Musical Experience. Interventions in Agency and Intersubjectivity workshop, CFS, Copenhagen.

Lodahl, S. (2009): Contextualizing the Other, Situating the Self. Interventions in Agency and Intersubjectivity workshop CFS, Copenhagen. Sanne Lodahl (2009): Contextualizing the Other, Situating the Self. Interventions in Agency and Intersubjectivity workshop CFS, Copenhagen.

Merritt, M., de Bruin, L. & Allen, M. Report on UCF experiments on self in narrative. CNCC session "Metacognition of Ignorance" at the 3rd Biennial Meeting of the Special Interest Group on Metacognition. 8-10 May 2008, Ioannina, Greece

Josef Parnas: "The nature of schizophrenia" *Klaus Conrad's Den begyndende Skizofreni*. University of Copenhagen – 27.2.

Josef Parnas: "Problems in schizophrenia research". Invited plenary speaker at the World Psychiatric Congress in Nice, France – March

Josef Parnas, "Anomalies of self-awareness in schizophrenia: the generative disorder". University of Marseille, France – April.

Josef Parnas: "Self-disorders in the schizophrenia spectrum". Technical University in Aachen, Germany – August.

Josef Parnas: "Implication of psychopathology of schizophrenia for the philosophy of subjectivity". Cambridge University, UK – September.

Josef Parnas: "Empirical studies on disorders of self-awareness in schizophrenia". Italian Psychiatric Association's Congress, Montesilvano, Italy – October.

Josef Parnas: "Anomalies of self-awareness in schizophrenia: the generative disorder". International Symposium on Early Detection of Schizophrenia, Cologne, France – October.

Josef Parnas: "Anomalies of self-awareness in schizophrenia: the generative disorder". German Psychiatric Association's Congress, Berlin, Germany – November.

Josef Parnas: "Predicting schizophrenia". University of Turku, Finland – November.

Josef Parnas: « Self and schizophrenia: Searching the fundamental phenotypes". University of Helsinki, Finland – November.

Josef Parnas: "Validity and reliability of bizarre delusions" *Workshop on Delusions*. CFS, University of Copenhagen – 07.12

Roepstorff, Andreas (2008) An Anthropologist's view on consciousness. Brain, Agency, Self, Intersubjectivity and Consciousness (BASIC) Initiative Workshop, Washington University, St Louis, MO, USA.

Roepstorff, A. (2007) Symbols, a 'missing link' in social cognition? Albert Newen, Alexandra Zinck, Kai Voegeley, Social Cognition, Emotion and Self Consciousness, Delmenhorst.

Andreas Roepstorff Response at Explaining Religion, 17.9.2007. Invited.

Andreas Roepstorff, "Thinking Through Things", Archaeology and Neuroscience, University of Cambridge, 16.9.2007, invited talk.

Andreas Roepstorff "Reciprocity and exchange: a neurosocial contextualization", Forum for Psykologisk Antropologi, Human Mind - Human Kind, 16.8.2007, oral presentation.

Andreas Roepstorff : "The Person Doctrine", Narrative alternatives to theory of mind, CNCC sponsored conference, Hertfordshire, GB, 15.7.2007, invited keynote presentation.

Andreas Roepstorff: "An emergence of persons in cognitive neuroscience?" Susan Hurley, CNCC conference: perception action and consciousness, 3.7.2007, invited keynote presentation.

Andreas Roepstorff; "Mapping Subjectivity a Reflexive Approach", Mind & Life Summer institute, US, 7.6.2007, keynote presentation.

Andreas Roepstorff; "Transcendental Brain Areas...", Cognition, Culture and Religion, Symbolization, Aarhus, 1.6.2007, keynote presentation.

Skewes, J. (2009): "Bioagency". Interventions in Agency and Intersubjectivity workshop, CFS, Copenhagen.

Josh Skewes; Mind-reading in humans: some results from neuroimaging, Mind-reading and metacognition, CNCC Metacognition symposium - Eurocogsci2007, Delphi, GR, 24.5.2007. Invited.

Thompson Evan (2008) Phenomenology of the resting self. Brain, Agency, Self, Intersubjectivity and Consciousness (BASIC) Initiative Workshop, Washington University, St Louis, MO, USA.

Evan Thompson: Meditation and Cognitive Neuroscience: A Neurophenomenological Approach," Center for Complex Systems and Brain Sciences, Florida Atlantic University, April 11, 2008.

Invited oral presentation: ‘What do you need to know to possess a concept?’ *Concepts and Their Analysis workshop* (Sept 2008, Zurich)

Invited oral presentation: ‘The Heuristics of Folk Epistemology’ *Epistemic Intuitions workshop* (May 2009, Copenhagen)

“The Efficacy of the Phenomenal Concept Strategy” at *Towards a Science of Consciousness*, Tuscon April 2008.

Invited oral presentation: “Naturalising Testimony” University of Stirling, July 2007.

Invited oral presentation: “Are there Any Conceptual Truths about Knowledge?” at the Aristotelian Society, London, Oct 2007.

Invited oral presentation forthcoming (June 2008) at the workshop on a priori knowledge as part of the Transcendental Philosophy Project, Institute of Philosophy, University of London.

Further invited oral presentations at: Birmingham University (Sept 2007), University of Manchester (Oct 2007), University of Cambridge (March 2008), University of East Anglia (Oct 2009), University of Warwick (Nov 2009).

IP-03, University of Edinburgh

Clark, Kiverstein and Vierkant co-presented at the launch meeting of the CNCC: Eurocores Programme, Copenhagen, Nov 12-14 2006

Clark presented invited papers on consciousness and the dual visual systems hypothesis at Exeter University (January 29 2007) ; Kings College London (Feb 28 2007) ; The University of St Andrews (March 6 2007) ; and the CONTACT conference Perception, Action, and Consciousness (Bristol, July 2007)

Clark presented keynote papers on embodiment, consciousness, and the extended mind to the Brown University Department of Cognitive and Linguistic Sciences (Feb 5, 2007) ; the international conference "From the Brain to Culture: Intersections Between the Humanities and Neuroscience" Bucknell University, Pennsylvania, USA (April 20 2007) , the interdisciplinary conference Cognition: Embodied, Embedded, Enactive, Extended, University of Central Florida, USA (Oct 21 2007), and the Towards a Science of Consciousness meeting at Tucson, Arizona, (April 9, 2008)

Clark presented "Mirrors as Mechanisms?" at Edinburgh University on the occasion of G. Rizzolatti's visit (September 2008), "Gesture as Thought?" as part of "The Hand: An Organ of the Mind: Pointing, Touching, Grasping, Gesturing, and Beyond" at the Interuniversity Centre, Dubrovnik, Dubrovnik, Croatia (May 2, 2009), "Perceptual Extensions: From Theory to Practice and Back Again" a talk, with demonstration of sensory substitution devices, to The Senses Research Workshop, Institut Jean-Nicod, Paris (19-21 June 2009), "Locating the Conscious Mind" an invited keynote paper presented to The Metaphysics of Consciousness: A Conference in Honour of Timothy Sprigge, University of Edinburgh, Scotland, UK (July 8 2009), "Gesture as Thought?" to the CNCC (Consciousness in a Natural and Cultural Context) Final Conference, St Leonard's Hall, Edinburgh (October 2 2009), "2VS or not 2VS? Specialization and Integration in Visual Perception and Action" an invited commentary on M. Goodale's presentation on Dual Visual Systems, presented as part of the Workshop on Perception and Action, New York University, NY (Oct 30 2009), "Are Brains Special?" an invited presentation to the international conference The Extended Mind Thesis in Theory and Applications ZIF Institute, Bielefeld, Germany (Nov 24 2009), and "Evolution: Climbing Beyond the Core" a short contribution to the debate Evolution: Evidence versus Beliefs co-hosted by the Edinburgh University Psychology Group and the Italian Institute. Edinburgh University (Dec 3 2009)

Kiverstein (postdoc) presented papers on a range of topics relating to the extended mind, embodiment, consciousness and the self at the CNCC final conference (October 2009); The Social Construction of the Self (Alghero, September 2009); CEWR conference Motor Representation and the Language of Space Conference (Lille, January, 2009); the workshop on Self and Other in Neuroscience Philosophy of Mind, (Alghero, Sardinia, October 2008); the European Science Open Forum, (Barcelona, July 2008); PPNB Graduate Conference, (Edinburgh, June 2008); CNCC Junior Scholar's Essay Prize (Edinburgh, June 2008); Towards a Science of Consciousness meeting, (Tucson, Arizona, April 9, 2008); CNCC workshop on Subjectivity and the Body, Copenhagen, (January 2008); CNCC networking meetings at the University of Herts (July 2007) and Bristol (July 2007); and the PPNB Graduate Conference (Bristol, March 2007). He responded to papers at the Fallibilities, Illusion, and Metacognition CNCC networking meeting, (Paris, July 2007); and at the Cross-CRP symposium on Metacognition, Mindreading and Self-Consciousness at the 2nd European Conference on Cognitive Science (Delphi, March 2007).

Mandrigin (PhD Student) gave presentations of her work at MindGrad 2009, University of Warwick (December 5-6), the British Postgraduate Philosophy Association Annual Conference (July 14-15, 2009),

a Graduate Workshop on Mind & Cognition at the University of Edinburgh (May 11, 2009), at the Phenomenological Body Conference at the New School for Social Research, NY (March 26-27, 2009), at Mind 10, Berlin (November 20-22, 2008), at the Limits of Personhood Conference, University of Jyväskylä, Finland (June 6, 2008), at ESPRA 2, CNCC Conference on Subjectivity and the Body, Center for Subjectivity Research, Copenhagen (January 31, 2008), and at Work in Progress Departmental Seminars (December 2008, June 2007).

Paraskevides (PhD Student) gave a presentation on Narrative, the Self and Action at the Work in Progress Departmental Seminar Edinburgh University at 28/11/07. He presented different versions of his thesis work on Human Agency as Self-Regulation to the Edinburgh University Philosophy Work-in-Progress Group (19/11/08), as a talk at the Philosopher's Rally in the University of Twente, Enschede (11/05/09-13/05/09), to the Glasgow Philosophy Department (15/05/09), and then again (further aspects) to the Edinburgh University Philosophy Work-in-Progress Group (17/06/09)

Stapleton (PhD Student) gave a presentation on her work at the Summer School on Enaction, Frejus. 6th-12th September 07, a presentation at Edinburgh Graduate Reading Group on Emotions, and a CNCC dissemination talk at the interdisciplinary conference Cognition: Embodied, Embedded, Enactive, Extended, University of Central Florida, USA (Oct 21 2007), a Work in Progress Departmental Seminar, "Looking for Love in all the Wrong Places: Towards a Dynamical Systems account of Emotion". (19th March 2008), and a talk "Three worries about Cosmelli and Thompson's "Embodiment or Envatment"." to the ESPRA 2, CNCC workshop on Subjectivity (January 31st 2008).

Stapleton presented "Phenomenology and Dynamical Systems" to the Phenomenology and Philosophy of Mind Postgraduate Conference, University of Durham, 01/07/08, "Towards Integrating Emotion into Accounts of Consciousness". CONTACT Work in Progress Workshop, University of Bristol. December 2008, "Levelling the Mind: An investigation into the relevant level of detail for understanding cognition". Departmental Work in Progress Seminar, University of Edinburgh. March 2009, "Leaky Levels and the Case for Proper Embodiment". Mind and Cognition Graduate Workshop, University of Edinburgh. May 2009, "Towards Integrating Emotion into Accounts of Cognition", Departmental Work In Progress Seminar, University of Edinburgh, August 2009, (practice talk for ESPP), "Towards Integrating Emotion into Accounts of Cognition; An Argument at Three Levels". European Society for Philosophy and Psychology (ESPP) Annual Conference, Budapest. August 2009.

Vierkant presented invited papers on Will and Agency to Goldsmiths College, London (January 2007), the University of Newcastle (January 2007), the conference on Selfhood, Normativity and Control, Nijmegen (May 2007), the delusions and self knowledge workshop Bristol, (February 2008), and the CONTACT conference on consciousness, agency and the will Edinburgh (June 2008), the philosophy department Glasgow (January 2009), the APIC seminar Paris (March 2009), the conference on metacognition and mindreading Salzburg (July 2009), conference on the social self (Alghero September 2009) This work was also presented to the CNCC Networking meeting on Fallibilities, Illusion and Metacognition, Paris (July 2007) the conference on Narrative Alternatives to Theories of Mind, University of Hertfordshire (July 2007) Towards a Science of Consciousness meeting, Tucson, Arizona, (April 9, 2008) and at the workshop on the metacognition of ignorance Ioaninna (May 2008) .

C. Sinigaglia, 'The enactive and embodied constitution of space' (contributed speaker) - Cognition: embodied, embedded, enactive, extended – University of Central Florida, Orlando (21-23 October 2007)

- C. Sinigaglia, 'Mirror neurons and motor intentionality' (invited speaker) – Self and other in social neuroscience and philosophy of mind. Institute Of Philosophy, School for Advanced Study – London (23-24 November 2007)
- C. Sinigaglia, 'Mirror neurons: What we can and cannot say' – Towards a science of consciousness 2008 concurrent session: social approaches to consciousness – University of Arizona – Tucson (8-12 April 2008)
- C. Sinigaglia "Motor Intentionality and Enactive Understanding". Embodied Intentionality: Measuring Body-Based Mentalization, Multidisciplinary Workshop. The Anna Freud Center London (8 Nov 2008) – invited speaker.
- C. Sinigaglia, "Self and Body". VF Guidano e MJMahoney Lectures. Roma (October 2008) – invited speaker.
- C. Sinigaglia, "Mirror Neurons and Motor Intentionality". ESF Conference: Self and Other in Social Neuroscience and Philosophy of Mind. Alghero (26-29 Oct 2008) – invited speaker.
- C. Sinigaglia, "Motor Intentionality and Enactive Understanding". ESF Exploratory Workshop: Mirror Neurons & Social Cognition. Torino (24-26 Sep 2008) – Member of Organizing Committee and invited speaker.
- C. Sinigaglia, "Representation in Action". 31st International Wittgenstein Symposium. Kirchberg am Wechsel, Lower Austria (10-16 Aug 2008) – invited speaker.
- C. Sinigaglia, "Mirror Neurons and Embodied Simulation". ESF Summer School. Social Cognition and Social Narratives. San Marino (7-13 Jul 2008) – invited speaker.
- C. Sinigaglia, "Enactive Understanding and Social Cognition". 27th Annual Conference of the European Society for the History of the Human Sciences. Università di Bari (2-5 Jul 2008) – invited speaker.
- C. Sinigaglia, "Mirror in Action". 15th Herbstakademie: Embodied Cognition and Embodied, Bern (7-9 Oct 2009) Communication – invited speaker.
- C. Sinigaglia, "From Sharing to Joining Action. A Motor Approach to Intentionality". Joint Attention Conference. Bentley College. Boston (USA, 1-4 Oct 2009) – invited speaker.
- C. Sinigaglia, "Motor Cognition and Action Understanding". ESF Conference. Alghero (28 Sep 2009) – invited speaker.
- C. Sinigaglia, "The Body and its Selves". Discos Summer School. Department of Neuroscience. Università degli Studi di Parma (17-19 Jun 200) – invited speaker.
- C. Sinigaglia, "Mirroring and Understanding Action". Enacting Intersubjectivity. Paving the Way for a Dialogue between Cognitive Science, Social Cognition and Neuroscience. University of Lugano (13-14 Feb 2009) – invited speaker.
- C. Sinigaglia, "Motor Cognition and Enactive Understanding. Reflections on Mirror Neurons: Mirror of Reality"? The Eight International Conference of Neuroesthetics. University of California, Berkeley (17 Jan 2009) – invited speaker.
- C. Sinigaglia, "The Magic of Grasping. Mirror Neurons and Motor Intentionality". Department of Philosophy, University of California, Berkeley (15 Jan 2009) – invited speaker.

AP-01, Johannes Gutenberg University, Mainz

Metzinger

30.09.09 9th Annual Meeting of the Australian Society for Cognitive Science. What is the Simplest Form of Self-Consciousness? Levels of embodiment and minimal phenomenal selfhood; keynote lecture

25.09.09 From neuroethics to consciousness ethics. Monash Philosophy department, Australia

30.06.09. The Phenomenal Self and the First-Person Perspective. Wissenschaftskolleg zu Berlin, Tuesday Colloquium. Invited fellow's lecture

03.10.08; Humboldt University Berlin; European Students Conference; invited lecture

02.10.08 – 04.10.08; Berlin, Hotel Mandala; Volkswagen-Stiftung Embodiment Workshop; invited lecture

20.09.08, Institute of Audio-visual Studies (IUA) of the Universitat Pompeu Fabra, Barcelona; Barcelona Cognition Brain and Technology Summer School (sponsored by eucognition.org); invited lecture

02.08.08 - 04.08.08, Bundesakademie Wolfenbüttel, lectures for selected fellows, invited lecture

02.07.08 – 04.07.08; Freiburg, Neuroscience and Spirituality; invited keynote lecture

29.06.08 – 6.07.2008, Schweizerische Studienstiftung: Akademie Magliaso (Kanton Tessin), Body and Space; invited lecture and workshop

19.06.08 – 22.06.08; Taipei, National Taiwan University; 12th Annual Meeting of the Association for the Scientific Study of Consciousness; invited keynote lecture

18.04.08; Bilkent University, Departments of Philosophy and Psychology; Taking the Measure of Mirror Neurons: An International Colloquium; invited lecture

04.04.08; Frankfurt Institute of Advanced Study; (public evening lecture) Consciousness, the phenomenal self, and the first-person perspective Solving the core-problem in consciousness research; invited lecture

Smith

17.06.09 Università degli Studi di Parma, Italy, DISCOS Summer School (invited) commentary

12.03.09 Centre for Subjectivity Research, Copenhagen University (BASIC) "Minimal and Narrative Approaches to the Self", DISCOS workshop,

12.02.09 Centre for Subjectivity Research, Copenhagen University (BASIC), Tuesday Interdisciplinary Research Seminar (by invitation)

28.09.08 – 01.10.08; Technical University of Dresden; KogWis: 9th annual meeting of the German Cognitive Science Society; (by submission)

27.06.08; University of Edinburgh, Department of Philosophy; Presentations of the shortlisted Essays from the CNCC (Consciousness in a Natural and Cultural Context) Essay Competition for Junior Scholars; (by invitation)

16.06.08 – 22.06.08; University of Bologna, Department of Psychology; Sense of Body: An Interdisciplinary Summer School on Body Representation; (by submission)

26.06.08; University of Edinburgh, Department of Philosophy; PPNB: Graduate conference in Philosophy of Psychology, Neuroscience and Biology; (by submission)

02.12.07 MINDGrad 2007, University of Warwick (by submission)

06.06.07. Open Minds 2007. Graduate conference. University of Manchester. (by submission).

METACOGNITION

Bauer, N. (2007). "Implicit and explicit understanding of identity statements." Talk at the preworkshop of the International ESF sponsored workshop on "Fallibilities, Illusion and Metacognition" as part of the MPSC (Metacognition as a Precursor to Self-Consciousness: evolution, development, and epistemology) ESF EUROCORES CNCC Project, July 2007, Paris, France.

Bauer, N. & Perner, J. (2008). "Do adults and children rely on conceptual pacts in communicative situations?" Submitted paper at the Annual Meeting of the European Society for Philosophy and Psychology (ESPP) in Utrecht, Netherlands, June 26 – 28, 2008.

Beran, M. J. (March, 2008). How do chimpanzees and monkeys respond to their own fallibility and impulsivity? Invited address for the Georgia State University Neurophilosophy Lecture Series, Atlanta, GA.
