

**Functional genomic
variation in the epilepsies
(EuroEPINOMICS)**

EuroEPINOMICS web portal and social media meeting

Items to be filled in on the online form

a) Type of networking activity

Meeting

b) Title of networking activity

Web portal meeting

c) Proposed venue and dates

University of Luxembourg, Luxembourg, March 13th, 2012

d) Estimated expenditure and income (including ESF grants requested and co-sponsorship when applicable)

25,000 €

e) Personal data of the applicant, and of (co-)organisers when applicable

Prof. Ingo Helbig IP-02 RES

Dr. Reinhard Schneider, Luxembourg

Dr. Johanna Albers, Kiel, Germany

Dr. Snezana Maljevic, Tübingen, Germany

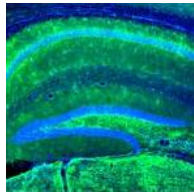

Dr. Roland Krause, Luxembourg

Dr. Kirsten Roomp, Luxembourg

Dr. Enrico Glaab, Luxembourg

Dr. Arvid Suls, Antwerp, Belgium

Dr. Sarah Weckhuysen, Antwerp, Belgium

Functional genomic variation in the epilepsies (EuroEPINOMICS)

Items to be uploaded via the online system in one single Word or pdf file:

a) Scientific rationale and relevance to the program

The EuroEPINOMICS consortium has made a strong commitment to use state-of-the-art web-based technology to for both internal and dissemination activity. The role of this meeting was to (1) discuss and train participants regarding the EuroEPINOMICS web portal available at www.euroepinomics.org, to (2) discuss the potential for integrated project visualisation, for example implementations of the web portal using the RES BENCH platform and to (3) outline a Social Media Strategy for the overall EuroEPINOMICS project. This meeting was in line with the decisions of the last project leader teleconference.

b) Provisional programme/agenda of the activity

10:00 Welcome (Roland Krause)

10:15 What is EuroEPINOMICS – State of the Project (Ingo Helbig)

10:30 Introduction Web Portal – State of the Project (Enrico Glaab, Kirsten Rump)

11:30 BENCH – State of the Project (Ingo Helbig, Johanna Albers)

12:30 Lunch

13:30 Integration/Differences BENCH/Web Portal/Social Media

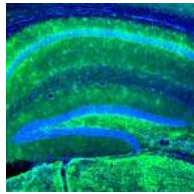

14:00 Suggestion for a social media strategy – Who does what (Roland Krause)

14:30 EuroEpinomics Blog – State of the Project (Ingo Helbig, Roland Krause)

15:30 Twitter, Facebook (Ingo Helbig, Roland Krause)

16:00 Further web-based dissemination: Web-based Journal Club, Scicast, Jove

16:30 Discussion & Conclusion

**Functional genomic
variation in the epilepsies
(EuroEPINOMICS)**

c) List of provisional speakers and/or participants

Prof. Ingo Helbig IP-02 RES
Dr. Reinhard Schneider, Luxembourg
Dr. Johanna Albers, Kiel, Germany
Dr. Snezana Maljevic, Tübingen, Germany
Dr. Roland Krause, Luxembourg
Dr. Kirsten Roomp, Luxembourg
Dr. Enrico Glaab, Luxembourg
Dr. Arvid Suls, Antwerp, Belgium
Dr. Sarah Weckhuysen, Antwerp, Belgium

d) Justification of the invitation of Associated Partners and external experts

Not applicable

e) Provisional dissemination and exploitation plan

The provisional dissemination and exploitation plan is in line with the general commitment of the EuroEPINOMICS consortium to web-based internal communication and social media. The web portal based on Joomla has already been set up at www.euroepinomics.org, which already represents one of the most frequented web sites for EuroEPINOMICS.
