

EuroSTELLS
A EUROCORES PROGRAMME

EUROPEAN SCIENCE FOUNDATION COLLABORATIVE RESEARCH

Referees contacted for EuroSTELLS

Gary Anderson
University of California
United States

Muhammad Ashraf
University of Cincinnati Medical Center
United States

Mickie Bhatia
The Krembil Centre for Stem Cell Biology
Canada

Helen Blau
Stanford University School of Medicine
United States

David Bodine
National Human Genome Research Institute
United States

Roberto Bolli
University of Louisville
United States

Arnold I. Caplan
Case Western Reserve University
United States

Maurizio Capogrossi
Istituto Dermatologico dell'Immacolata
Italy

José Cibelli
Michigan State University
United States

Alan Colman
ES Cell International
Singapore

Giulio Cossu
San Raffaele Hospital
Italy

Gay Crooks
Children's Hospital Los Angeles
United States

George Daley
Harvard Medical School
United States

John Dick
University of Toronto
Canada

Stefanie Dimmeler
University of Frankfurt
Germany

Helmut Drexler
Hannover Medical School
Germany

Cynthia Dunbar
National Institutes of Health
United States

Connie Eaves
BC Cancer Research Centre
Canada

Meri Firpo
UCSF Stem Cell Research
United States

Curt Freed
University of Colorado School of Medicine
United States

Elaine Fuchs
The Rockefeller University
United States

Fred Gage
University of California
United States

Margaret Goodell
Baylor College of Medicine
United States

Joel Habener
Harvard University
United States

Edwin Horwitz
St. Jude Children's Research Hospital
United States

Keith Humphries
University of British Columbia
Canada

Ole Isacson
McLean Hospital, MRC I
United States

Norman Iscove
Ontario Cancer Institute
Canada

Joseph Itskovitz-Eldor
Rambam Medical Center
Israel

Rudolph Jaenisch
Massachusetts Institute of Technology
United States

Jan Kajstura
New York Medical College
United States

Gordon Keller
Mount Sinai School of Medicine
United States

Diane Krause
Yale University
United States

Robert Lanza
Advanced Cell Technology
United States

Robert Lederman
National Institutes of Health
United States

Annarosa Leri
New York Medical College
United States

Fred Levine
University of California
United States

Ronald McKay
National Institutes of Health
United States

Douglas Melton
Harvard University
United States

Peter Mombaerts
Rockefeller University
United States

Bernardo Nadal-Ginard
New York Medical College
United States

Claus Nerlov
European Molecular Biology Laboratory
Italy

Jon Odorico
University of Wisconsin
United States

Stuart Orkin
Harvard Medical School
United States

Donald Orlic
National Human Genome Research Institute
United States

Theodore Palmer
Stanford School of Medicine
United States

Roger Pedersen
UCSF Program in Biological Sciences
United States

Martin Pera
Monash University
Australia

Donald Phinney
Tulane University Health Sciences Center
United States

Jorge Piedrahita
North Carolina State University
United States

Darwin Prockop
Tulane University School of Medicine
United States

Shahin Rafii
Weill Medical College of Cornell University
United States

Pamela Robey
National Institutes of Health / NIDCR
United States

James Robl
University of Massachusetts
United States

Janet Rossant
University of Toronto
Canada

Michael Rudnicki
University of Ottawa
Canada

Guy Sauvageau
Université de Montreal
Canada

David Scadden
Harvard University
United States

Michael Schneider
Baylor College of Medicine
United States

Paul Simmons
Peter Mac Callum Cancer Centre
Australia

Evan Snyder
The Burnham Institute
United States

Lorenz Studer
Memorial-Sloan Kettering Cancer Center
United States

Mark Sussman
San Diego State University
United States

Neil Theise
Yeshiva University
United States

James Thomson
University of Wisconsin
United States

Beverly Torok-Storb
Fred Hutchinson Cancer Research Center
United States

Alan Trounson
Monash University
Australia

Derek Van der Kooy
University of Toronto
Canada

Gary van Zant
University of Kentucky Medical Center
United States

Catherine Verfaillie
University of Minnesota
United States

Don Wolf
Oregon Regional Primate Research Center
United States

Dov Zipori
Weizmann Institute of Science
Israel

Leonard Zon
Children's Hospital
United States
