Tentative program for the summer school:

	21 28. August 2011						Symposium	
	Sunday	Monday	First N Tuesday	1odule Wednesday	Second Thursday	Module Friday	Perspectives in moder Saturday	rn Plant Physiology Sunday
08:30 09:00 09:30 10:00 10:30		Symposium: lectures by young scientists	Technical lecture I	Technical lecture II	Technical lecture III	Lab Tour	International Symposium Part I 9 10.30 Plant ribosomes and translation regulation Host Chair J. Soppa, Speaker M. Bohnsack, J.	International Symposium Part II 9:00 10.30 Plant organelles under the microscope Host Chair Wachtveitl, Host Speaker Stelzer
11:00 11:30 12:00 12:30		self introduction/ current research project/ future aims 10 min. each	practical part I	practical part III	practical part I	practical part III	Brown 10:30 - 11:00 Coffee Break 11:00 12:30 Stress response Host Chair Scharf, Speaker D. Scheel, R. Bock	10:30 - 11:00 Coffee Break 11 12:30 Structure and function – break thoughts in plant biology Host Chair Pos, Host Speaker Kühlbrandt
13:00 13:30		lunch	lunch	lunch	lunch	lunch	lunch	lunch or lunch packet
14:00		Symposium:					1	
14:30 15:00 15:30 16:00 16:30 17:00 17:30 18:00	arrival registration and get together	Symposium: lectures by young scientists self introduction/ current research project/ future aims 10 min. each	practical part II	Practical part IV	practical part II	Practical part IV	International Symposium - Part II 14:00 15:30 Non plant model systems in plant research Host Chair Schleiff, Speaker: C. Büchel, U. Maier, P Kroth 15:30 - 16:00 Coffee Break 16:00 17:30 Protein networks and metabolism Host Chair Sandmann, Speaker: I. Koch, D. Fell, P. Frasier 17:30 - 19:00 Plenary lecture biotechnology: the day after tomorrow Host Chair: Schröder, Speacker: M. Metzlaff	departure
18:30 19:00 19:30	dinner	Demonstration in Geisenheim: Modern Plant Breeding	dinner	dinner	dinner	dinner		
20:00	Opening Lecture Enrico Schleiff				<u> </u>	Exchange of Results		
20:30 21:00 21:30							Network Meeting The dark matter of genetics. Speaker: Sir D. Baulcombe	
22:00 22:30 23:00]			Discussion		

Summer School on Physiology and Biophysics of Photosynthetic Organisms 21. - 28. August 2011

Symposium
