

Scientific Review Group for the Biomedical Sciences

SRG-MED

Professor Martin Röllinghoff

Friedrich-Alexander Universität Erlangen-Nürnberg ● Germany

Expertise: ● **Immunology, Microbiology** ● *Infectious Disease, Defence mechanisms, Vaccination, T-lymphocytes, Cytokines*

Bio-sketch:

Martin Röllinghoff is Professor emeritus at the Faculty of Medicine at the Friedrich-Alexander Universität Erlangen-Nürnberg. He was Director of the Institute of Medical Microbiology, Immunology and Hygiene. He was a member of the Senate of the German Research Foundation (Deutsche Forschungsgemeinschaft, DFG) and the Senate Commission for Clinical Research.

He was a member of the Core Group of the European Medical Research Councils (EMRC) from 2006-2012. He is a member of the Council (Hochschulrat) of the Johannes-Gutenberg University Mainz, a member of the Supervisory Board of the University Hospital Mainz, and a member of the Scientific Advisory Board of the Paul-Ehrlich Institute in Langen. His main research interests are the defence mechanisms against infections.
