

Scientific report from visit to Utrecht October 16 – 20, 2012 for professor May Thorseth

Project: ENRI-Future Rights to a Green Future

Purpose of the visit/description of work carried out:

1. Meetings with professors Marcus Düwell and Dieter Birnbacher on publication plans for publication titled *Roads to Sustainability*.
2. Discussions about future workshops.
3. Work on paper for this publication (for working group 4, on motivational and institutional obstacles to sustainability).

Main results obtained:

1. Draft of publication.
2. Adding to concrete plans for the next workshop in Trondheim, December 18-19, 2012.
3. Clarifications of main points of my own contribution to the publication and the forthcoming workshop in December 2012.

Future collaboration with host institution:

1. Concrete plans for future workshops including staff from both institutions (Utrecht University and Norwegian University of Science and technology, NTNU).
2. Mobility/visits for PhD students (PhD courses, workshop, Research School).

Publications/articles to result from the grants:

1. Contributions to publication *Roads to Sustainability* (Birnbacher, Düwell, Thorseth and others).
2. Joint publication from the whole project.
