1. General Aims and Objectives of the Forum

► Aims

- To improve evaluation studies on funding schemes
- To learn about best practices of impact assessment of research and research funding
- To identify the challenges in conducting transnational comparative evaluation

► Objectives

- To facilitate networking
- To exchange and share information on evaluation studies of funding schemes and practices
- To produce an inventory of current and past impact evaluation practices/methodologies across Member Organisations, identifying gaps and lessons learned
- To develop an analysis of research portfolios and research output

► Strategic Alignment

- With Action 6 of the EUROHORCs and ESF Vision on a Globally Competitive ERA and their Road Map for Actions
