i Recerca

Highlights & Scientific Report

www.esf.org/conferences/11353
Conference Highlights

Please provide a brief summary of the conference and its highlights in non-specialist terms (especially for highly technical subjects) for communication and publicity purposes. (ca. 400-500 words)

☐ I hereby authorize ESF – and the conference partners to use the information contained in the above section on ‘Conference Highlights’ in their communication on the scheme.
Scientific Report

Executive Summary

Scientific Content of the Conference

- Summary of the conference sessions focusing on the scientific highlights
- Assessment of the results and their potential impact on future research or applications

Forward Look

- Assessment of the results
- Contribution to the future direction of the field – identification of issues in the 5-10 years & timeframe
- Identification of emerging topics
- Is there a need for a foresight-type initiative?

Business Meeting Outcomes

- Election of the Organising Committee of the next conference
- Identified Topics
- Next Steps

Atmosphere and Infrastructure

- The reaction of the participants to the location and the organization, including networking, and any other relevant comments

Sensitive and Confidential Information

This report will be submitted to the relevant ESF Standing Committees for review. In order to promote transparency, it is ESF policy to also publish the Scientific Reports on its website. Any confidential information (i.e. detailed descriptions of unpublished research, confidential discussions, private information) should therefore not be included in this report. Confidential issues can be addressed in the next page, which will not be published.

I hereby authorize ESF to publish the information contained in the above Scientific Report on the ESF Research Conferences Webpages. No sensitive or confidential information (see above) has been included in this report.

Fredrik Höök
