and talk about
Reengineering Pharmacy
Practice in a Changing World
29 august – 4 september '08

**SPECIAL
PROGRAMME
for
First Timers**

You and your colleagues from all over the world have the ability to directly influence the health and well being of patients and their communities.

There is no better venue to explore and develop your potential than at the FIP Congress. Here you will meet international pharmacists and pharmaceutical scientists to exchange knowledge and experiences within accredited sessions and motivating workshops, delving into the most important current and future issues facing the profession.

This year the city of Basel will ensure a beautiful backdrop to a magnificent social programme.

We welcome you to the 68th FIP World Congress of Pharmacy and Pharmaceutical Sciences in Basel, Switzerland
